

# NOTES AND RECORDS

[royalsocietypublishing.org/journal/rsnr](https://royalsocietypublishing.org/journal/rsnr)

Original, international research in the history of science, technology and medicine. The journal reports on research and archival activities in the field of history of science on a wide range of analytical themes.

*Notes and Records* is part of the Royal Society's commitment to promote scholarship and encourage research into the history of science.

Planned theme issues in 2021 are *Biodiversity and the History of Scientific Environments* and *The Life of Matter: from early modern vital matter theories to Enlightenment vitalism*.

## Features Include:

- high quality, peer reviewed research articles
- includes 'recollections' and autobiographical accounts
- essay reviews
- latest news on archival and online resource projects
- accepted articles continuously published online ahead of print
- immediate free access to previous nine years of back issues.
