## PHILOSOPHICAL TRANSACTIONS OF THE ROYAL SOCIETY B

[royalsocietypublishing.org/journal/rstb](http://royalsocietypublishing.org/journal/rstb)

Influential themed journal issues across the life sciences.

Continuing its long history of influential scientific publishing, each issue of *Philosophical Transactions B* offers new research, reviews and opinions from prominent researchers. Issues are either based on the internationally acclaimed Royal Society Discussion Meetings or are stand-alone topics commissioned by the journal or proposed by the guest editors.

The journal showcases current developments and provides a foundation for future research, applications and policy decisions.

In 2021, topics will include ageing and sociality, sex chromosome evolution, prehistoric languages, and control strategies for mosquito-borne diseases.

### Features Include:

- high quality, multi-authored theme issues, each examining a topical area of science
- fully peer reviewed to the Royal Society's high standards
- articles put straight into e-issues with final citation
- immediate free access to previous nine years of back issues.
